

Joining-up across the organisation

Aligning everyone

Shared purpose and direction across the whole organisation.

Organisational operating cadence / huddles / newsletters / stickers / video backgrounds / away days

Joining-up teams

Collaboration across team boundaries towards common goals.

The Team Onion / Weeknotes / Blog posts / Show and tells

Bridging silos

cross-organisation support, learning, sharing and scaling practice.

Communities of practice / Show and tells / away days

Does the organisation have

A **clear cadence** that helps align and situate everyone

Messages and communication that reaches people where they are

Support for joining up **across teams and organisational silos**
