

# Creating opportunities for Serendipity

## Serendipity

Unexpected and fortuitous outcomes that come from chance encounters.

## Assisted Serendipity

Creating the space and opportunities where serendipity could happen within and around the normal working day.

Random coffee / Time together /  
Non work slack channels / Lean coffee  
meetups / Show and tells /  
Commensality

## Are there opportunities for

Teams to put their **work and ideas** in the open for others to see

People to have the space and time for the **potential of serendipity**

**People to meet others** outside of their normal day to day work
